Session Handbook

a note from Cindi Jones

The senior photography experience is much more than just creating pictures. It's about capturing a lasting memory of who you are at this moment in time, preserving the moment through photographic art and cherishing you, your moment, and the art for lifetimes to come.

One of the most rewarding aspects of my job is truly getting to know you and finding a location that conveys your unique style. Senior portraiture is an art form and you as the subject allow me to pursue my passion for photography and creating YOUR custom art, while having fun!

My hope is that the images created during your session will be cherished by you and your family for years to come, and that your experience with us will remain in your heart forever.

Grab a cup of coffee, have a seat and relax. Thumb through the Senior Handbook, learn more about us and see what's in store. We are truly looking forward to working with you!

The Studio

The Studio is shared by Jones Photography and Lisa Adams Photography. Though we collaborate on many projects and sessions, we are two separate businesses. "The Studio" itself is not a business, it is simply a studio and office space shared by Lisa and myself. That being said, please understand that The Studio does not have business hours. We are at The Studio by appointment only. We frequently work from home and on-location. If you will be coming to The Studio, please make an appointment so we can make time to meet with you.

The Studio is located in Shelby Township, just south of 23 Mile, on the east side of Van Dyke.

Jones Photography offers portrait photography in the Macomb and Oakland areas for teams, athletes, high school seniors and families. Throughout the year we also offer our signature studio sessions that include, "A Magical Santa Experience", "Enchanted Fairies", "Superheroes", "Cherish" and "Extreme Sports". We appreciate our clients spreading the word about the exciting things we have to offer at The Studio and hope that we can be of service to you, your family and friends for years to come.

The Process

BOOK THE SESSION

Select your date early! Jones Photography accepts a limited number of seniors per season, so dates are limited and fill quickly.

COMPLETE THE ONLINE QUESTIONNAIRE

The completed Questionnaire will help us plan ahead for your session and get to know the senior better.

BOOK HAIR AND MAKE UP

If you are planning to have hair and make up done on the day of your session, please book that now. We do have a couple of artists to recommend, all you have to do is ask!

CONFIRM LOCATION AND TIME - BOOK ORDERING SESSION

After looking over your completed Questionnaire, Cindi will contact you to go over the details and determine what locations will work best for you. Suggestions for colors and styles will be given at this time as well. Have your calendar ready, we will select a date and time for your ordering session too.

GO SHOPPING!

Now that we have a location and color scheme selected, it is time to SHOP! Go through your closet, your friend's closets and then hit your favorite stores. Be sure to have appropriate shoes and accessories for each outfit.

TEXT PHOTOS OF YOUR OUTFITS TO CINDI

Take some pics of the outfits with the accessories and text them to Cindi. She will give any additional suggestions and possibly tell you which outfit to start the session in. Final locations will be determined based on your clothing selections.

MANI PEDI

Make sure those nails are photo ready. If your toes will be visible, paint those puppies too!

GET EXTRA REST AND PLENTY OF WATER

Get extra sleep and drink plenty of water for a few days leading to your session.

APPOINTMENT CONFIRMATION

You will hear from us about a week before the session to confirm the location, exact meeting point and time to arrive. The day prior to your session, we will be taking a good look at the weather. We will let you know if we have any concerns. Especially if you have hair and make up booked.

PROOFS GO LIVE

The proofs from your session will be scheduled to go "LIVE" seven days before your ordering session. Take this time to go through them all, select your favorites, and share the link with family and friends that you want to include in the decision making process.

ORDERING SESSION

At The Studio, we will view your gallery together on the big screen. We will go through your favorites and make selections for your prints and products. Orders and payment are due at the ordering session, please be fully prepared.

PICK UP YOUR ORDER

Orders will be ready 6-12 weeks after the ordering session. You will receive an email when they are ready for pick up. Please remember that The Studio does not have business hours. Our staff is there by appointment only. The email will advise you to text and set up a time to meet for the pick up. If you have set up a payment plan, the order will be processed after the final payment has been made.

5 Tips on What to Wear

1. Be You!

LET YOUR PHOTOS REFLECT YOUR UNIQUE SENSE OF STYLE. CHOOSE CLOTHES THAT YOU LOVE AND FEEL THE MOST COMFORTABLE WEARING!

2. Accessorize!

ADD A TOUCH OF SPARKLE AND SHINE WITH ACCESSORIES THAT COMPLIMENT YOUR OUTFIT.

3. Lots of Layers!

LAYERING IS AN EASY WAY TO ACCOMPLISH A VARIETY OF LOOKS DURING YOUR SESSION. SCARVES, JACKETS, AND CARDIGANS MAKE PERFECT LAYERING PIECES.

4. Mix it Up!

SELECT CLOTHING THAT RANGES FROM CASUAL TO DRESSY. IT'S NICE TO HAVE OPTIONS DEPENDING ON THE LOCATION AND WEATHER.

5. Finishing Touches!

BECAUSE HAIR AND MAKE-UP PLAY SUCH AN IMPORTANT ROLE IN PHOTOGRAPHS, WE ENCOURAGE YOU TO CONSIDER WORKING WITH OUR PROFESSIONAL STYLISTS.

Frequently Asked Questions

Senior year is a very special time in your life. We want your photo session to be a fun, memorable and stress-free experience. Here are some important things to keep in mind to help you get the most out of your special day.

How long is the photo session?

Sessions can range from one hour to all day, depending on the session you choose. This time can be split between indoor and outdoor or allocated to either indoor or outdoor. For the best lighting conditions, outdoor sessions will be scheduled in the early morning or late afternoon/evening. Time selections will be based on season which can be discussed when making appointments.

What if the weather is bad?

In the event of weather related cancellation, photo sessions will be rescheduled as quickly as possible. The best day we can hope for is one with low humidity, a mild temperature with a bit of sunshine. The weather will NEVER be perfect. We reschedule for rain, high winds or high humidity. We try to make the decision early enough that hair and make up sessions can be rescheduled.

How do I prepare for the session?

Preparation is the key to a fun session that will result in beautiful portraits you will always cherish. Take plenty of time to select your clothing, shoes and accessories. Look at many location options and select one that best suits your personality. Keep the location in consideration when selecting the clothing. Share your ideas and favorite shots that you have seen on the website with us so we have an idea of what your style and preferences are. The more time and effort you put into preparing for your session, the better your portraits will be.

Where will we shoot?

Please browse the website for location ideas. Select a location that truly reflects your personality. Meadows, fields of wildflowers, historic buildings, favorite park, athletic field, beach, lake, a downtown area, rustic, urban, the possibilities are endless. Some locations may require an additional travel fee which may be discussed when the location is selected. Additional locations may be added to your package and may also be discussed when making the appointment.

What should I wear? How many outfit changes can I have?

Clothing changes are welcome and encouraged. Base the amount of changes on the style you are looking for within your shoot. Time is an important factor as well. We are on a limited schedule so the changes need to be quick! Have a backup plan outfit. You never know when that favorite shirt you were planning to wear might decide to grow legs and run away....be prepared for anything. Keep the weather and season in mind when making your clothing selections. A few tips to guide in the selection process...avoid stripes, solids and bright colors photograph well, patterns work well against solid backgrounds, bring shoes that reflect your personality and change them with each outfit, short skirts and dresses are a big NO NO, accessories like scarves, jewelry and hats always add to the scene, school sportswear works well too. Girls should wear a cami for quick on the spot shirt changes.

Frequently Asked Questions

What about hair and makeup?

It can be tempting to go overboard with make-up but we want your natural beauty to shine through. Make-up is recommended especially lip gloss and or chapstick. Bring lip gloss and chapstick to reapply throughout the shoot, as well as a hairbrush. Even if you are a light make up wearer and have an easy going hair style, using a professional hair and make up artist is HIGHLY recommended.

What about my glasses?

If you wear glasses, please consider removing the lenses from the frames before the session to avoid glare. Transition lenses will not photograph well. Above all, be certain the lenses are CLEAN!

Will there be props?

Please feel free to bring any props that you would like used during your session. Old chairs, benches, mirrors, luggage, a car, motorcycle, pet or whatever else you can think of. We have a few chairs, benches and couches that can be provided upon request. Just give us a few days notice.

How are poses chosen?

Have specific posing requests or expressions that you want to be sure to capture? Please share the request with Cindi *PRIOR* to the shoot. Text ideas or create and share a Pinterest board with Cindi.

These are YOUR portraits and we aim to please! Voice your opinion at any time. Though we love having your input, please understand that we have this under control and know just how to set these poses up. We have a ton of training and experience on this!

Can I bring a friend, pet or sibling in for some of my pictures?

One additional subject is welcome to join in for a few poses. Any more than that should be set up as a separate session. Pets are welcome to join us and pose for a few shots with you. Please have someone with you that can care for the pet while we shoot. Please see page 17 of the Senior Handbook for a special family portrait offer.

When and how do we place our order?

Your proof gallery will go LIVE seven days prior to your scheduled ordering session.

When your images (digital proofs) have been posted for viewing, you will be notified via email. Use the seven days to share the gallery with anyone that you will want opinions from. Ordering session dates are chosen prior to the shoot and typically take place 2-4 weeks after the shoot.

Payment is expected at the ordering session. Cash, check, credit card and payment plans are accepted. Orders should be ready within 6-12 weeks of the ordering session. Orders placed on a payment plan will be processed once the final payment is made.

In closing.....

We look forward to a successful and fun filled portrait session for your high school senior. Thank you for choosing Jones Photography. Please share our information with friends and family. Please notify us with any questions.

BONUS! FREE 5x7 for your senior to take to college!

We knew going into the senior picture experience that Jones Photography would provide our family with a fun personalized session. My biggest concern was whether I would be able to choose a favorite and limit my purchases. Cindi provided us with clothing color and pattern ideas that would work best for the photography session. Cindi communicates well with the parent and the client and this takes the "stress" out of the senior picture experience. As a parent, I was able to **sit back and enjoy the process**. From start to finish, this is the **best professional photography experience** I have encountered and I highly recommend Jones Photography. -Chris A.
